

LA CAPITE
CHAMBÉSY

Lower Ground-floor

The entrance hall has an overhead opening from the central patio, providing natural pleasant lighting all day long. The basement window in the multipurpose room also adds brightness.

LA CAPITE
CHAMBÉSY

Upper Ground-floor

The transparency and luminosity of the large windows offer an easy transition between indoor and outdoor spaces. The two-story high dining room contributes to the feeling of space.

LA CAPITE
CHAMBÉSY

First Floor

The mezzanine is inspiring with its dominant view of the dining room and garden, as well as its two bedrooms that are just perfect for children or guests.

LA CAPITE
CHAMBÉSY

Second Floor

This floor is reserved for the master bedroom and has two terraces with an unrestricted view of the lake and mountains, so you can enjoy the morning or evening sun. Wake up facing the lake...
